CAM4 Earns Five Adult Webcam Awards at 2016 Adult Webcam Conference

Los Angeles, CA -- January 25, 2016 – In a very competitive field, **CAM4** continues to stand out with five prestigious awards this year for a wide range of accomplishments. Perhaps most significantly of all, **Richard Hall** has become the newest inductee into the **Adult Webcam Awards Hall of Fame**. His induction was followed by **CAM4** models winning awards like **Dayaanna** as the Cam Model Social Media Star of the year, **Caitie Rage** winning the Best Squirting Orgasm Webcam Show, **Spanish Star** taking home the coveted Best Anal Webcam Show award, and the **CAM4** platform winning the top prize by being named the Top European Adult Webcam Site!

“It does seem that every year there are even more cam models, cam platforms and high quality companies joining us in the live adult entertainment marketplace” said Nikki Night. “We welcome their creativity and enthusiasm because it brings out the best from our own team and we understand that strong competition is what will always benefit the fans the most in the long run. To win so many awards is extremely gratifying, and the victory is only made sweeter by the knowledge that the other nominees were also truly deserving of the affection they enjoy. In the coming year we will increase our efforts even more and do all we can to continue to expand the possibilities and exceed the expectations of the fans who have made us all winners, with their loyalty, interest and passion for the art of modern webcam modeling. Thank you everyone!”

Webcam fans, affiliate marketers and performers are encouraged to visit **www.CAM4.com** to see what makes this the year’s top live entertainment platform, and to become part of what is destined to be a perennial powerhouse in the world of live adult entertainment for many more years to come.
